**Benefits of Membership - What You Get!**

**A Wealth of Knowledge and....**

Dues cover full membership in, and the quarterly bulletins of, the American Dahlia Society (ADS), as well as one (individual) or two (family) copies of the ADS Classification and Handbook of Dahlias. The Handbook of Dahlias is an invaluable source of information on about 2000 of the most grown dahlia varieties in North America.

All NEW 2012 members will also receive a copy of the December 2011 ADS Bulletin with its annual supplier advertisements and a copy of the latest Classification and Handbook of Dahlias.

NEW members will also receive Colorado Dahlia Society name badges which we encourage you to wear at any dahlia meeting, show or other dahlia, gardening or horticultural event you may attend.

All Colorado Dahlia Society members receive:

- 1) A copy of our color covered annual show book.
- 2) All meeting announcements, minutes and other mailings.

All CDS members are also eligible to participate in our annual tuber roundup and free tuber exchange.

The Colorado Dahlia Society meets monthly on the 2nd Sunday of most months from February thru October. All members are encouraged to attend and share in some of the best potluck luncheons in Northern Colorado.

And, yes there is still such a thing as a free lunch! ALL first time meeting attendees are invited to join us in enjoying a pre-meeting potluck luncheon. Just bring your own table service and eat hearty.
